

Kulunga Katitjin Festival

Project Numbat was lucky to once again be involved in the Kulunga Katitjin festival on 17 September where approximately 2,300 primary school students spent the day in beautiful Kings Park participating in environmental based activities.

We did a radio tracking demonstration, brought along Nurla the numbat mascot, and gave out stickers and other goodies at our stall to keep the students (and Project Numbat committee) busy. It was great, as always, to see so many enthusiastic kids!

Annual General Meeting

We held our Annual General Meeting on 16 September at Perth Zoo. It is always such a motivating experience to discuss and reflect on our achievements for the year. The Chairperson's report will be available for viewing on the website in the coming weeks.

All the office bearer and committee positions are re-elected at each AGM. The 2014-15 committee is as follows:

- Chairperson – Dani Jose
- Vice Chair – Tamara Wilkes-Jones
- Treasurer – Eva Wiehl
- Secretary – Leanne Kelman
- Committee members:
 - Emily Trainer
 - Karen Cavanough
 - Chris Murphy
 - Yvette Adams
 - Gunther De Vos
 - Jessica Morrison
 - Renee Bauhofer

It was sad to say goodbye to some faces, but great to see some new and of course familiar ones. We are looking forward to the year ahead.

National Threatened Species Day

National Threatened Species Day

A long time in the making, we were proud to host our first National Threatened Species Day event in Fremantle on 7 September. We spoke to too many people to count and received many generous donations.

We would like to extend our thanks to **Friends of the Western Ground Parrot, Friends of the Western Swamp Tortoise, Turtle Oblongata Rescue and Rehabilitation Network** and **Kaarakin Black Cockatoo Conservation Centre** for joining us in raising awareness of our unique Western Australian species.

So many of our native Australian animals, not just the Numbat, are heading towards extinction, and we want to make sure a tragedy like the loss of the Thylacine never happens again!

We'd also like to thank the City of Fremantle and Widdeson's Hire Service for all their help, and of course all the wonderful visitors!

Survey Team

We have an exciting opportunity for a lucky member to assist in Numbat digging survey training. Due to the specific nature of this training, an application process is required.

If you would like to expand your knowledge, and are keen and able to work outdoors in summer, please email info@numbat.org.au with the subject 'Survey team 2014' by 15 October for more details. Applicants must be available 14, 15 and 16 November.

ZigZag

Join us in Kalamunda on 5 October to walk the ZigZag! We will be stamping passbooks so don't miss us.

Member Benefits

Project Numbat members now receive discounted entry to **Barna Mia Sanctuary**! Simply advise them you are a member at time of payment.

Tin Rattle Day

On Friday 29 August we braved the weather and held our annual tin rattle day in the Perth CBD, raising over \$1600. Thanks to everyone who helped us, whether a donator or a rattler!
